McGUIRE NUCLEAR STATION
UNITS NUMBER 1 AND 2
OPERATING INSTRUCTIONS

Dear Mr. Blackley:

Attached for your information and use is the following revised periodic test procedure: (See attached document list (1 sheet)).

PT-5 Process Instrumentation Protection Channels, Revision 1

The revision was made to page 29 and the location is shown by a mark in the left margin.

The attached document list supersedes the list previously transmitted and should be inserted into the Master Index Volume II, 0-2 by Shop Order 490.

Very truly yours,

R. S. Howard, Manager
Duke Power Projects
