Subject: Twenty-Day Response to NRC Letter "Issuance Of Order For Interim Safeguards And Security Compensatory Measures For Crystal River Unit 3"

Reference: NRC to FPC letter, 3N0202-06, dated February 25, 2002

Dear Sir:

The purpose of this letter is to provide the 20-day written response required by NRC Letter "Issuance Of Order For Interim Safeguards And Security Compensatory Measures For Crystal River Unit 3," dated February 25, 2002. In the Order, Section III, B.1, the NRC required, within 20 days, that Florida Power Corporation's (FPC) Crystal River Unit 3 (CR-3) notify the NRC: (1) if FPC is unable to comply with any of the requirements described in Attachment 2 of the Order; (2) if compliance with any of the requirements is unnecessary in CR-3's specific circumstances; or, (3) if implementation of any of the requirements would cause FPC to be in violation of any NRC regulation or the facility license. None of the above three listed conditions applies to CR-3.

Section III, B.2, of the Order required FPC to notify the NRC within 20 days if implementation of any of the requirements in Attachment 2 would adversely impact safe operation of the facility. Implementation of these requirements will not adversely impact safe operation of CR-3.

**NOTICE: Attachment 1 to this letter (Schedule for Achieving Compliance) contains "Safeguards Information." Upon separation from Attachment 1, this letter is "DECONTROLLED."**
