In the Matter of  
DUKE COGEMA STONE & WEBSTER (DCS)  
(Mixed Oxide Fuel Fabrication Facility, Construction Authorization Request)  
Docket No. 70-3098-ML

---

Dear Administrative Judges:

Pursuant to 10 C.F.R. § 2.1231, the NRC Staff is enclosing Supplemental Index # 1, describing and identifying by number additional items to supplement the initial hearing file submitted in December 2001. Supplemental Index # 1 lists, in chronological order, letters and memoranda dated from December 1, 2001 through March 15, 2002, that were exchanged between DCS and NRC. The numbers used in Supplemental Index # 1 pick up from the last numbered item listed in the initial hearing file. Each of the numbered items may contain one or more individual documents (*e.g.*, an item may consist of a cover letter, and one or more enclosures referenced in the cover letter).

Paper copies of the items listed in Supplemental Index # 1 are also enclosed. Please contact Amy Hoadley (301-415-8129) or the undersigned if any copying errors or similar document problems are found.

Sincerely,
