Dear Mr. Chairman:

Just a note to thank you for sharing time in your busy schedule to meet with Dr. Carlos Hamilton of Houston, TX to discuss the 10 CFR Part 35 rules. The American Association of Clinical Endocrinologists continues to have a great interest in these rules, believes that they are an improvement, and supports implementation of the final rule adopted by the NRC in October 2000. Keith McConnell has followed up with me to make sure that we have a copy of the rules.

AACE would appreciate being informed about the focus, time and place of the workshops concerning the Part 35 rules and probably will attend. In addition, AACE would like to be a resource if there is an opportunity for public input on the guidance that will accompany the implementation of the rules.

Again, thank you for seeing us.

Sincerely,

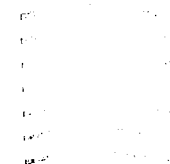

G. Brockwel Heylin  
Director Health and Medical Policy Services
