Dear Mr. Beyer:

Thank you very much for your letter and quotation of August 27, 1981. The terms that you have offered to provide assistance and testing are acceptable to us. We would like work to be initiated on September 2, 1981.

We provide 102 gunsights for wipe test and scintillation counting per paragraph 2.7 of attachment 6 page 2 of our Acceptance Test Procedure.

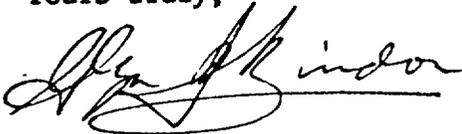

Please provide to us written documents to support our NRC application according to the draft given to you. This should include a resume for Henry Griffin and Mary Barker and equipment list and calibration sequence.

Please quote to us the cost of conducting the Qualification tests of paragraph 4.3, Thermal Shock and 4.4, Altitude, and the time required to do the test.

We would like to have your report and support data for the September 19th filing date.

Thank you very much,

Yours truly,

Glyn A.J. Bindon
