Dear Mr. Heider:

Thank you for your letter dated March 13, 2002, in which you provided an update to your commitments to the four Security Focus Areas contained in our Confirmatory Action Letter dated October 26, 2001. During the past few weeks, we have discussed with you and members of your staff your proposed revised actions and their acceptability to the NRC to provide adequate safeguards protection of your facility. This letter acknowledges our discussions with you and members of your staff and the actions that you have planned or have taken in response to those discussions. We have reviewed your responses with NRC Headquarters staff and have no objection to the commitments contained in your March 13 letter.

In accordance with Section 2.790 of the NRC's "Rules and Practices," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the NRC Public Document Room (PDR) and will be accessible from the NRC Web site at <http://www.nrc.gov/reading-rm.html>.
