Subject: Waterford 3 SES
Docket No. 50-382
License No. NPF-38
Licensing Examination Preparations

Dear Mr. Merschoff:

In response to NRC Staff letter dated September 7, 2001, Entergy is hereby submitting the written examinations, operating tests, and the supporting reference materials identified in Attachment 2 of ES-201. Based on discussions with members of your staff, the requested submittal date for the material was adjusted from November 22, 2001 to December 10, 2001. The reference material is being furnished in hard copy format. The examination and operating tests are being furnished in both electronic and hard copy formats.

This letter does not contain any commitments. The examination material attachments contain confidential information that has been packaged in accordance with NUREG-1021. The attached examination materials shall be withheld from public disclosure until after the examinations are complete. The examinations are scheduled for the week of January 21, 2002.

Very truly yours,

A handwritten signature in cursive script, appearing to read "A.J. Harris".

A.J. Harris
Director,
Nuclear Safety Assurance
