Re: Privacy Act/FOI Act Request

Dear FOI/PA Officer:

This request comes under the Freedom of Information Act, 5 U.S.C., Section 552 and is a follow-up to my March 13, 2002 FOIA request (2002-0182).

My previous FOIA asked for a report written by Nils Diaz while on temporary assignment during the break between his two terms as a commissioner. The NRC's response stated that "Commissioner Diaz' assignment did not require the delivery of a report, but for him '...to provide advice and recommendations regarding potential improvements to NRC's relations with the dwindling number of institutions operating research reactors."

I hereby am requesting to be provided with the "advice and recommendations" that were made during Commissioner Diaz' short-term assignment.

I am a reporter with an independent newsletter, Inside NRC, and the information requested is part of news gathering. I ask that all search and copy fees be waived.

Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the activities and operations of the NRC.

Please contact me at 202-383-2161 if you have any questions. Thank you for your consideration, and I would appreciate your response within 10 working days of the receipt of this request.

Sincerely,

Jenny Weil
