Nuclear Regulatory Commission
Freedom of Information Act Request
Washington, DC 20555

Dear to whom it may concern,

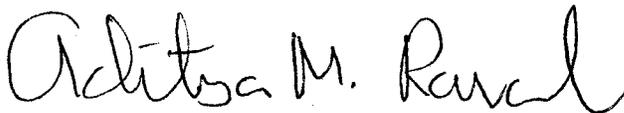

I am writing to request, under the Freedom of Information Act, 5 U.S.C. 552, the identities of the approximately 835 sources of radioactive material that have gone missing and are still unaccounted for since 1996 in the United States.

As a member of the media, I am requesting that any fees be waived. If this is not possible, however, please let me know in advance if the cost of this request will exceed \$500.

If this request is denied, please cite the specific exemption which you think justifies the refusal to release the information to me under the law.

I would appreciate you handling this request as quickly as possible, and I look forward to hearing from you within 10 working days, as the law mandates. If you wish to reach me by phone, please call (202) 222-7044. Thank you.

Sincerely,

Aditya Mahendra Raval
