CHAIRMAN MESERVE: Good afternoon. This is an affirmation session and I understand we have three items to come before us. Madame Secretary, you may proceed.

MS. VIETTI-COOK: The Commission is being asked to act on a Memorandum and Order responding to Duke Cogema Stone & Webster's petition for interlocutory review contesting several contentions admitted for hearing by the Licensing Board. The Commission has voted to approve a Memorandum and Order which denies Duke Cogema Stone & Webster's petition for interlocutory review as it relates to Georgians Against Nuclear Energy contentions 1, 2, 5, and 8 and Blue Ridge Environmental Defense League contention 9A. Would you please affirm your votes?

CHAIRMAN MESERVE: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: Commissioner Diaz had previously votes to approve this order and had he been present, he would have affirmed his prior vote. The second item the Commission is being asked to act on a Memorandum and Order related to a license amendment granted to International Uranium Corporation to receive and process, at its White Mesa mill in Utah, waste material from a Molycorp site in California. This Memorandum and Order responds to two appeals, a number of motions seeking expedition, stays, and the striking of an opponents's brief. The Commission has voted to approve a Memorandum and Order which affirms the Presiding Officer's decision in LBP-02-06 to grant standing to two intervenors, William Love and the Sierra Club; denies the intervenors' motion to stay the effect of the license

amendment pending a hearing; denies the International Uranium Corporation motion to strike the Sierra Club's appellate brief; and finds all other pending motions or requests for relief moot.

Would you please affirm your votes?

CHAIRMAN MESERVE: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: Commissioner Diaz again had previously voted to approve this memorandum and order and had he been present, he would have affirmed his prior vote. And the third item, the Commission is being asked to act on a Memorandum and Order responding to two documents filed by the State of Utah on February 11, 2002, relating to the pending license application of Private Fuel Storage. The Commission has voted to approve a Memorandum and Order which denies the request to stay the proceedings, defers the petition for rulemaking, and accepts review of the Nuclear Waste Policy Act issue. Would you please affirm your votes?

CHAIRMAN MESERVE: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER MCGAFFIGAN: Aye.

COMMISSIONER MERRIFIELD: Aye.

MS. VIETTI-COOK: Commissioner Diaz again had previously voted to approve this memorandum and order and had he been present, he would have affirmed his prior vote.

That's all I have.

CHAIRMAN MESERVE: Very good. We stand adjourned.
