Richard Meserve, Chairman
U.S. Nuclear Regulatory Commission

Dear Chairman Meserve:

For the past several years, the NH Office of Emergency Management has been the communication channel between the state and the U.S. Nuclear Regulatory Commission (USNRC).

I am hereby designating Donald P. Bliss, Acting Director of the New Hampshire Office of Emergency Management, as the State Liaison Officer (SLO). Your records should indicate that Woodbury P. Fogg has resigned from the position of Director of NH OEM.

If you require any further information, please feel free to contact my office (603.271.2121) or Acting Director Bliss at 603.271.2231. Thank you.

Very truly yours,
