Attention: Mr. W. B. Behnke, Jr.
Assistant to the President

Gentlemen:

Pursuant to your request dated April 9, 1968, the Commission has issued the enclosed Amendment No. 1 to Construction Permits Nos. CPPR-23 and CPPR-24. The amendments reflect a change in the ownership of the Quad-Cities Station located near Cordova, Illinois. Commonwealth Edison Company and Iowa-Illinois Gas and Electric Company will own, respectively a 75% and a 25% undivided interest in the facility.

Neither Amendment No. 1 nor this change in ownership affects Commonwealth Edison Company's responsibilities with respect to design and construction of the facility as set forth in Provisional Construction Permits Nos. CPPR-23 and CPPR-24.

A copy of a related notice which has been transmitted to the Office of the Federal Register for publication is also enclosed.

Sincerely,

DOCKET NOS. 50-254 & 50-265

NOTICE OF ISSUANCE OF AMENDMENTS TO PROVISIONAL

CONSTRUCTION PERMITS

Notice is hereby given that the Commission has issued, effective as of the date of issuance, Amendment No. 1, set forth below, to Construction Permits Nos. CPPR-23 and CPPR-24 which were issued to the Commonwealth Edison Company on February 15, 1967. Provisional Construction Permits Nos. CPPR-23 and CPPR-24 each authorizes Commonwealth Edison Company to construct a single cycle, forced circulation, boiling water reactor designed to operate at 2255 megawatts (thermal), (Quad-Cities Unit No. 1 and Quad-Cities Unit No. 2, respectively) at its site in Rock Island County, Illinois, about three miles north of Cordova, Illinois.

The amendments reflect a change in the ownership of the Quad-Cities Station. As a result of this change, Commonwealth Edison Company and Iowa-Illinois Gas and Electric Company will own, respectively, a 75% and a 25% undivided interest in the facility.

Neither Amendment No. 1 nor this change in ownership affects Commonwealth Edison Company's responsibilities with respect to design and construction of the facility as set forth in Provisional Construction Permits Nos. CPPR-23 and CPPR-24.

Within fifteen (15) days from the date of publication of this notice in the Federal Register, Commonwealth Edison Company or Iowa-Illinois Gas and Electric Company may file a request for a hearing, and any person whose interest may be affected by the issuance of these amendments may file a petition for leave to intervene. Requests for a hearing and petitions for leave to intervene shall be filed in accordance with the Commission's "Rules of Practice", 10 CFR Part 2. If a request for hearing or a petition for leave to intervene is filed within the time specified in this notice, the Commission will issue a notice of hearing or appropriate order.

For further details with respect to these amendments, see a copy of the application Amendment dated April 9, 1968, which is available for public inspection at the Commission's Public Document Room, 1717 H Street, N.W., Washington, D. C.
