

MEMORANDUM TO: Timothy F. Hagan, Director  
Division of Contracts and Property Management  
Office of Administration

FROM: Richard P. Correia, Acting Chief  
Resource Management Branch  
Division of Program Management, Policy Development  
and Planning Staff  
Office of Nuclear Reactor Regulation

SUBJECT: FY 2002 ADVANCE PROCUREMENT PLAN UPDATE

In response to the memorandum from Michael L. Springer dated March 7, 2002, the following Advance Procurement Plan (APP) updates are provided. Attachment 1 (Form A) includes the proposed new procurements for FY 2002. Attachment 2 (Form B) provides the modification changes to several contracts. There are no changes to the Inventory of Active Contracts list. Attachment 3 provides an update to the Interagency Agreements Active list in FY 2002. Attachment 4 includes an updated copy of the NRR APP forms for newly planned projects with DOE laboratories and Attachment 5 is a copy of updated NRR APP forms for planned projects for commercial activities.

If there are any questions, please call Thomas Dietz at 415-1225.
