SUBJECT: CLOSURE OF INVESTIGATION (OI 4-2001-045)

Dear Mr. Randolph:

This letter is in reference to an investigation conducted by the NRC Office of Investigations (OI) regarding activities at Callaway. OI initiated the investigation to determine whether an individual had been subjected to employment discrimination for having identified concerns related to the turbine-driven auxiliary feedwater pump.

Based on the evidence developed during the investigation, testimony, and document reviews, the allegation was not substantiated. The NRC plans no further action regarding this investigation and considers this case closed.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

/Elmo E. Collins Acting for/
