Desc: Copies of documents which describe, at least, the objectives, scope, and funding for all High - Level Waste work, conducted for NMSS under contract with the CNWRA, for FYs 2001 and 2002. This information can be brief descriptions or summaries of the requested information available in current operating plans and/or work plans and/or program plans.

FeeCategory: Personal_Noncommercial

Waiver_Purpose: An informed member of the public wishing to review and offer comments on the adequacy of the NRC HLW program and strategy for a possible Yucca Mountain HLW repository.

Waiver_ExtentToExtractAnalyze: I will review the scope of work being performed and the products and their integration as part of the technical basis for the NRC review of the DOE Yucca Mountain project.

Waiver_SpecificActivityQuals: As an expert in reactor safety and nuclear waste safety research program planning, development and management, I will review the records in the context of Yucca Mountain repository scientific and technical issues and how the public can better understand the technical and scientific work being used by the NRC to assure the health and safety of the public. I will not comment on or judge the performance or qualifications of the NRC contactor, the CNWRA.

Waiver_ImpactPublicUnderstanding: The disclosure will help provide more transparency to how the NRC plans to use sound science backed by appropriate NRC - sponsored technical assistance and research as a basis for assessing the adequacy of the Yucca Mountain repository to protect public health and

safety.

Waiver_NatureOfPublic: The people of the States of Nevada and California, including relevant Native American tribes, as well as technical and scientific oversight groups involved in HLW issues.

Waiver_MeansOfDissemination: Letters, articles, and/ or papers sent to technical publications, trade and other press, as needed, but, primarily the NRC and its Advisory Committee on Nuclear Waste, the DOE and the Nuclear Waste Technical Review Board, National Academy of Sciences Committees, the appropriate agencies of the California and Nevada, the General Accounting Office and Congressional Oversight Committees, as appropriate.

Waiver_FreeToPublicOrFee: Free of charge

Waiver_PrivateCommericalInterest: My only interest is to use my 42 years of relevent experience to serve the best interests of the NRC and the public in the resolution of the disposition of the Nation's high-level nuclear waste.
