United States Nuclear Regulatory Commission
Washington, DC 20555-0001

Dear Chairman Meserve:

Governor James E. McGreevey recently appointed me as the State Liaison Officer for the United States Nuclear Regulatory Commission for the State of New Jersey. While I am pleased to participate, I would like to designate Jill Lipoti, Ph.D. as the Deputy State Liaison Officer. Since most State nuclear safety-related activities are performed in her program, she can assist me in keeping up with the day-to-day activities regarding nuclear regulatory safety and health matters.

Please send all State Liaison Officer notifications directly to her by either e-mail at JLipoti@dep.state.nj.us or at her mailing address, Radiation Protection Programs, P.O. Box 415, Trenton, New Jersey 08625-0415. She is available by phone at 609-984-5636. Dr. Lipoti will keep me advised of these notifications on a continuing basis.

Thank you for the opportunity to continue to participate in this valuable program.

Sincerely,

A handwritten signature in black ink that reads "Bradley M. Campbell".

Bradley M. Campbell
Commissioner
