In the Matter of
PRIVATE FUEL STORAGE L.L.C.
(Independent Spent Fuel Storage Installation)
Docket No. 72-22-ISFSI

Dear Administrative Judges:

In accordance with my letter of January 2, 2002, enclosed please find a paper copy of the redacted version of the Final Environmental Impact Statement ("FEIS") related to the proposed Private Fuel Storage Facility ("PFSF"), along with a CD Rom disk containing this version of the FEIS. Copies of the enclosed materials are being transmitted by overnight express mail to all parties on the NRC Staff's service list for this proceeding.

As stated in my letter of January 2, the Staff has been discussing with other parties to the proceeding the procedures under which an unredacted version of the FEIS would be provided to them, upon execution of a non-disclosure agreement, and expects to be able to transmit an unredacted version of the FEIS to the Licensing Board and parties next week.

Sincerely,

/RA/

Robert M. Weisman
Counsel for NRC Staff
