Subject: Docket No. 50-482: Participation in USNRC National Security Clearance Program

Reference: Letter dated March 22, 2002, from M. L. Springer, USNRC, to O. L. Maynard, WCNOG

Dear Mr. Springer:

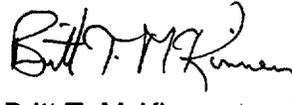

In response to the Reference, which discussed personnel security clearances, Wolf Creek Nuclear Operating Corporation (WCNOG) recognizes the Nuclear Regulatory Commission's increased security efforts. WCNOG intends to participate in the program to grant five licensee personnel security clearances for access to classified information.

WCNOG will submit completed Foreign Ownership Control or Influence (FOCI) packages including Form SF 328, "Certificate Pertaining To Foreign Interests," and a Standard Practice Procedures Plan to the above address. The elements of this documentation will be submitted as they are completed.

The WCNOG point of contact for these security clearances is Mr. Karl A (Tony) Harris, Manager Regulatory Affairs. He can be reached at (620) 364-4038, or by e-mail at kaharri@wcnoc.com.

If you have any questions concerning this submittal, please contact me at (620) 364-4112.

Very truly yours,

  
Britt T. McKinney
