The Honorable Jo Ann Davis
United States House of Representatives
Washington, DC 20515

Dear Congresswoman Davis:

This responds to your letter dated March 6, 2002, to Dennis K. Rathbun, Executive Assistant, Office of the Chairman, regarding our Rural Development Act policy and our ability to relocate our offices to Virginia's First Congressional District. The Nuclear Regulatory Commission (NRC) completed a consolidation of our Headquarters offices in Rockville, MD, in 1994, and we have no plans to relocate our employees. The NRC relies on the General Services Administration for space acquisition services when new space is needed. We have no plans to add facilities in the Washington, DC, metropolitan area in the foreseeable future.

If you need any further information, please contact Mr. Thomas Martin, Director, Division of Facilities and Security on (301) 415-8080.

Sincerely,

/RA/

William D. Travers
Executive Director
