

May 9, 2002

Alice Williams, Project Director
U.S. Department of Energy
West Valley Demonstration Project
10282 Rock Springs Road
West Valley, NY 14171-9799

Dear Ms. Williams:

I am writing to thank you for your participation at the recent West Valley Demonstration Project meetings in Ashford Hollow, New York. I appreciate your help in making these meetings productive. The exchange of information among various stakeholders was, and will continue to be, an important part of the West Valley site decommissioning process. I was particularly pleased with the cooperation displayed by regulators, the U.S. Department of Energy, and the New York State Energy Research and Development Authority in our April 17th public meetings.

I am looking forward to working with you and your staff in the future to ensure successful decommissioning of the site. The transcript and the meeting summaries will be available on the NRC public website in the near future.

Sincerely,

/RA/

Larry Camper, Chief
Decommissioning Branch
Division of Waste Management
Office of Nuclear Materials Safety
and Safeguards

Mr. Paul Giardina, Chief
U.S. Environmental Protection Agency
DEPP - RIAB, 28th Floor
290 Broadway
New York, NY 10007-1866

Dear Mr. Giardina:

I am writing to thank you for your participation at the recent West Valley Demonstration Project meetings in Ashford Hollow, New York. I appreciate your help in making these meetings productive. The exchange of information among various stakeholders was, and will continue to be, an important part of the West Valley site decommissioning process. I was particularly pleased with the cooperation displayed by regulators, the U.S. Department of Energy, and the New York State Energy Research and Development Authority in our April 17th public meetings.

I would also like to thank you for your efforts over the last several months in the development of the Regulators Communication Plan. We believe this plan will serve as a valuable tool for all stakeholders as we progress with the Environmental Impact Statement and clean up of the West Valley Site.

I am looking forward to working with you and your staff in the future to ensure successful decommissioning of the site. The transcript and the meeting summaries will be available on the NRC public website in the near future..

Sincerely,

/RA/

Larry Camper, Chief
Decommissioning Branch
Division of Waste Management
