Re: PG&E Diablo Canyon Power Plant (DCPP) Submittal -

Receiving Water Monitoring Program 2001 Annual Report

Dear Mr. Briggs:

Enclosed please find a copy of the Receiving Water Monitoring Program 2001 Annual Report for DCPP. This report presents the physical and biological data collected in the Receiving Water Monitoring Program during 2001. Per our agreement, no analysis or interpretation of the data were performed. Tables in the appendices provide summary statistics for each task.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to ensure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, I certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Sincerely,

David H. Oatley
