ALL AGREEMENT AND NON-AGREEMENT STATES

PROGRAM MANAGEMENT INFORMATION: ORGANIZATION OF AGREEMENT STATES (OAS) AND CONFERENCE OF RADIATION CONTROL PROGRAM DIRECTORS, INC. (CRCPD) COMMISSION BRIEFING - AUGUST 21, 2002, 2:00 P.M. EST (STP-02-028)

In an effort to accommodate State interest in viewing the Nuclear Regulatory Commission (NRC) briefing, the NRC Office of State Programs has made the following arrangements in coordination with the Offices of the Secretary and Chief Information Officer.

The OAS/CRCPD Commission briefing will web cast live on the NRC web page: <http://www.nrc.gov/public-involve/public-meetings/webcast-live.html>. The system requirements and instructions for viewing the web cast are found there. It is suggested that States go to the web site in advance of the briefing to ensure your computer system has the correct software. If necessary, there are free downloads to upgrade your system available on the site, but they may take some time to install. To test your system in advance you may view one of the archived web casts listed on the page. The OAS/CRCPD Commission briefing will also be archived for later viewing. The NRC will start broadcasting 15 minutes prior to the start of the briefing.

If you have any questions regarding the web cast or the Commission briefing you may contact John Zabko of my staff at (301) 415-2308 or e-mail: JGZ@NRC.GOV.
