Re: St. Lucie Units 1 and 2
Docket Nos. 50-335 and 50-389
Official Service List Change

The purpose of this letter is to request a change to the official service list for St. Lucie Units 1 and 2. Florida Power & Light Company (FPL) no longer employs Mr. R. G. West. Please remove his name from the service list and replace it with the generic title *Plant General Manager*. Electronic mailings, in the interim, should be sent to Carla_Heinold@fpl.com. FPL will notify the NRC when this position has been filled. Also, per FPL letter dated October 22, 1997 (L-97-268), FPL requested that the Plant General Manager receive letters without the Safeguards Information enclosure.

Please contact Mr. Terry L. Patterson at (772) 467-7162 if there are any questions concerning this request.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Donald E. Jernigan', written over a large, stylized flourish.

Donald E. Jernigan
Vice President
