WATERFORD 3 2001 ANNUAL ENVIRONMENTAL OPERATING REPORT

This report describes implementation of the Environmental Protection Plan (EPP) for the calendar year 2001, and provides the information required by the EPP.

A. Summaries and analyses of the results of the environmental protection activities required by EPP subsection 4.2:

This section of the EPP provides protection of the two cultural resource areas on the Waterford 3 site. There were no activities which affected either the Plantation Overseer's House site or the Plantation Quarter's site, during this reporting period. Both sites are eligible for the National Register of Historic Places.

B. EPP noncompliances and the corrective actions taken to remedy them:

There were no noncompliances with the requirements of the EPP during the reporting period.

C. A discussion of changes in station design or operation, tests, or experiments made in accordance with the EPP subsection 3.1 which involved a potential significant unreviewed environmental question:

During the reporting period, there were no station changes or evolutions requiring an environmental evaluation to ensure that a potential significant unreviewed environmental question did not exist:

D. Nonroutine reports submitted in accordance with subsection 5.4.2:

During the reporting period, there were no non-routine reports submitted in accordance with subsection 5.4.2.
