Mr. Robert P. Hannah, Administrator
Office of Environmental Assessment
Department of Environmental Quality
P.O. Box 82178
Baton Rouge, LA 70884-2178

Dear Mr. Hannah:

As requested, we have reviewed the proposed regulations log #RP029, to the Louisiana Administrative Code, Title 33, Part XV, Radiation Protection, dated March 6, 2002. The proposed regulations are in response to the one amendment identified in the enclosed State Regulation Status (SRS) Data Sheet. The regulations were reviewed by comparison to the equivalent NRC regulations in 10 CFR Part 20.1003 and Subpart H. We also discussed our review of the regulations with Mr. Eddie Stelley of your staff on May 8, 2002.

As a result of our review, we have no comments. Please note that we have limited our review to regulations required for compatibility and/or health and safety. Under our current procedure, a finding that a State regulation meets the compatibility and health and safety categories of the equivalent NRC regulation may only be made based on a review of the final State regulation. However, we have determined that if your proposed regulations were adopted incorporating the comments and without other significant change, they would meet the compatibility and health and safety categories established in Office of State and Tribal Programs (STP) Procedure SA-200.

We request that when the proposed regulations are adopted and published as final regulations, a copy of the "as published" regulations be provided to us for review. As requested in STP Procedure SA-201, *Review of State Regulatory Requirements* (November 10, 1998), please highlight the final changes and send one copy in a computer readable format, if possible.

The SRS Data Sheet summarizes our knowledge of the status of other Louisiana regulations as indicated. This letter including the SRS Data Sheet is posted on the STP Web Site: <http://www.hsrdo.org/nrc/rulemaking.htm>. If you have any questions regarding the compatibility and health categories, or any of the NRC regulations used in the review, please contact me or Ms. Linda McLean of the Region IV staff at 817-860-8116 or e-mail at mlm1@NRC.GOV.

Sincerely,

/RA By Kathleen N. Schneider Acting for/
