

September 17, 1987

Docket No. 50-298

Mr. George A. Trevors, Division
Manager - Nuclear Support
Nebraska Public Power District
Post Office Box 499
Columbus, Nebraska 68601

Dear Mr. Trevors:

SUBJECT: EFFECTIVE DATE OF ISSUANCE, AMENDMENT 110 TO FACILITY OPERATING
LICENSE DPR-46

Re: Cooper Nuclear Station

On September 9, 1987 the Commission issued Amendment No. 110 to Facility Operating License No. DPR-46. The amendment was inadvertently issued two days prior to expiration of the 30-day comment period specified by 10 CFR 50.91(a)(2)(iii). However, due to the fact that no comments or requests for hearing have been received as of the current date, the staff has determined that the amendment need not be reissued with a revised date. The effective date of Amendment 110 thus will remain as September 9, 1987.

We regret any inconvenience the error may have caused.

Sincerely,

WJ

William O. Long, Project Manager
Project Directorate-IV
Division of Reactor Projects - III,
IV, V and Special Projects
