(Diablo Canyon Power Plant, Units 1 & 2),
Docket Nos. 50-275-LT, 50-323-LT**

Dear Emile:

Pursuant to our telephone discussion of May 16, 2002, please find attached a compact disc containing Attachment B to PG&E's "Brief of Pacific Gas and Electric Company in Response to Commission Memorandum and Order CLI-02-12," filed May 10, 2002. The remainder of our filing has been retransmitted to you by electronic mail; however, I understand the NRC electronic mail system may reject files over a certain size, and, therefore, Attachment B to PG&E's May 10 filing could not be transmitted as such. Please contact me at (202) 371-5824 if you have any questions or concerns.

Sincerely,

Brooke D. Poole
