I am attaching a form 241 for a visit by one of our technicians performing routine maintenance at Citisteel in Delaware on May 5<sup>th</sup>, 2002 (Sunday). During the maintenance, it was noted that the shutter was not closing properly. He took emergency action and replaced the shutter return spring. He failed to notify my office in a timely manner so that the form 241 could be filed in a timely manner. I have discussed the proper procedure with all personnel to prevent recurrence.

Any questions please call me at (301) 948-2450 ext 223 or email me at mnorbury@rmgauges.com

*Sheryl,  
Appears they recognized  
problem and addressed it.  
If it happens again, please  
call to my attention*

*Thanks!*

Sincerely

Michael A. Norbury, Jr.  
Radiation Safety Officer
