Mr. Dale B. Lancaster, Chairman
ANS/ANSI 8.27 Burnup Credit
Working Group
320 South Corl St.
State College, PA 16801

Dear Mr. Lancaster:

I wish to inform you that Mr. Meraj Rahimi has been nominated as the authorized Nuclear Regulatory Commission (NRC) representative, regarding disposal criticality, on ANS/ANSI 8.27 Burnup Credit Working Group.

In accordance with OMB Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities," February 19, 1998, the participation on a committee of an authorized NRC representative does not connote agency agreement with, or endorsement of, decisions reached by the committee, or of standards approved and published as a result of the committee's efforts. Agency representatives participating on standards developing groups will, to the extent possible, ascertain the views of the agency on matters of interest and will express views that are consistent with established agency views.

Correspondence to Mr. Rahimi should be addressed to:
