Dear Mr. Cohen:

In a letter dated June 3, 2002, Mr. Michael D. Kohn, of the National Whistleblower Center, requested that the U.S. Nuclear Regulatory Commission (NRC) extend the date to file comments on a proposed Director's Decision recently forwarded to him in accordance with Title 10 of the *Code of Federal Regulations*, Section 2.206 (10 CFR 2.206). In his letter, Mr. Kohn asked that the NRC extend the date to submit comments from June 21, 2002, to August 10, 2002. He cited the complexity of issues involved in the petition as one reason for his request.

The Office of Nuclear Reactor Regulation Petition Review Board has reviewed Mr. Kohn's letter, and has decided to grant his request to extend the comment due date to August 10, 2002. Accordingly, the due date for comments on your proposed 10 CFR 2.206 Director's Decision is now August 10, 2002. If you have any questions concerning the status of your petition, please contact your Petition Manager, Mr. Robert J. Fretz, at 301-415-1324 or at rxl@nrc.gov.

Sincerely,

/RA/
