Subject: Modification No. 20 to Task Order No. 2 Under Contract NRC-02-97-001

Dear Dr. Patrick:

This modification reduces the scope of work for Task Order 2 by deleting the requirement to (1) present performance assessment results to the JPG Site Review Board at Madison, Indiana and (2) to complete deliverable 08801.002.006, the CNWRA final performance assessment report. This decreases the ceiling amount by \$38,307, from \$284,302 to \$245,995. Of this amount \$229,544.55 represents costs (including facility capital cost of money) and \$16,450.45 represents the fixed fee.

This modification also deobligates excess funds in the amount of \$1,428, thus reducing the obligated amount from \$247,423 to \$245,995, the new ceiling amount of this task order.

Accounting data for this task order modification is as follows:

B&R No.: 95015303120  
Job Code: J5156  
BOC: 252A  
Approp.: 31X0200.960  
Deobligated: \$1,428

A summary of obligations for this task order from award date through the date of this action is given below:

FY97 Obligation Amount:	\$115,565
Previously Obligated on Basic Contract:	81,858
Total FY99 Obligation Amount:	50,000
Deobligation:	(1,428)

Cumulative Total: \$245,995

The issuance of this task order modification does not change any terms or conditions of the contract.
