A specific letter was noted in the text of a letter (now public on the ACNW web site) dated March 22, 2002 from ACNW to the Chairman, NRC. The letter noted was a Memorandum from NMSS (probably to the ACNW), dated October 31, 2001. The subject title of the letter was not given, but it was about NMSS Users' needs. I only did a brief check of ADAMS and could not find it, but I suspect that it was not placed in the PDR. Since the Oct. 31, 2001 letter has been referenced in a public letter, I assume it also should be made public.

How may I obtain a copy of the Oct. 31st letter?

Thank you,

Mel Silberberg
