Proposed Rule Signed by the Chief Financial Officer

On April 16, 2002, the Chief Financial Officer approved a proposed rule that amends 10 CFR Part 16, "Salary Offset Procedures for Collecting Debts Owed by Federal Employees to the Federal Government". These proposed amendments to the Commission's debt collection regulations are necessary to conform NRC regulations to the legislative changes enacted in the Debt Collection Improvement Act of 1996 and the amended procedures presented in the Federal Claims Collection Standards issued by the Department of the Treasury and the Department of Justice. The proposed action is intended to allow the NRC to improve its collection of debts due the United States by Federal employees.
