Affected Document: HI-STORM 100 CoC, Amendment 1:

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Type of comment: Editorial.

There is an editorial inconsistency in the definition of "NON-FUEL HARDWARE" in Appendix B of Amendment 1 to the CoC as originally submittal for review and approval. Section 1.0 of Appendix B to the CoC correctly includes the term "water displacement guide tube plugs" in the definition of NON-FUEL HARDWARE. Table 2.1-1 of Appendix includes four locations where this term is incorrectly listed as "water displacement rod guide tubes."

Comment:

Replace the term "water displacement rod guide tubes" with "water displacement guide tube plugs" in the following locations in Table 2.1-1 of Appendix B to the CoC:

Item I (MPC-24), Note 1 on page 2 of 33 of the table.

Item IV (MPC-24E), Note 1 on page 22 of 33 of the table.

Item V (MPC-32), Note 1 on page 24 of 33 of the table.

Item VII (MPC-24EF), Note 1 on page 33 of 33 of the table.

This inconsistency has no material effect on the information submitted for review and approval un Holtec License Amendment Request 1014-1.
