

JUN 23 1961

Mr. James T. Ramey
Executive Director
Joint Committee on Atomic Energy
Congress of the United States

Dear Mr. Ramey:

Enclosed herewith are copies of comments received from each of the following companies on the proposed regulation (Part 100) which would prescribe reactor site criteria:

1. Pennsylvania Electric Company
2. Westinghouse Electric Corporation
3. Bachtel Corporation
4. Allis-Chalmers Manufacturing Company

Sincerely yours,

H. L. Price

H. L. Price
Acting Director of Regulation

Enclosures:
As stated above

cc: Cong. Liaison (2)
Secretary

Dispatched from H.L. Price
