

JUL 13 1961

Mr. James T. Ramey  
Executive Director  
Joint Committee on Atomic Energy  
Congress of the United States

Dear Mr. Ramey:

Enclosed herewith is a copy of comments received from the Coordinator for the State of California, Office of Atomic Energy Development and Radiation Protection, on the proposed regulation (Part 100) which would prescribe reactor site criteria.

Sincerely yours,

*R. Lowenstein, Acting*

Robert Lowenstein  
Acting Director  
Division of Licensing  
and Regulation

Enclosure:  
As stated above

cc: Cong. Liaison (2)  
Secretary

*A/291 Legal Pt 100*
