SUBJECT: DL&R MEETING REGARDING CHANGES TO PARTS 50,
55, and 115 -- OCTOBER 23, 1961

In accordance with our telephone conversation of October 16 I am forwarding the material this office has received on proposed changes to Title 10, CFR Part 50.54, Part 55 and Part 115. This is the material relative to operator licensing requirements.

For your convenience, I am also forwarding copies of the material previously distributed relative to technical specifications, changes, tests and experiments, (Parts 50.36 and 50.59, respectively).

Comments from industry, national laboratories, etc., regarding Parts 50.36 and 50.59 were distributed on August 29th. These comments were directed toward power reactor facilities primarily. The meeting on October 23, 1961 is to discuss the proposed revisions with groups involved in research reactor operation.

The meeting will be held in Room 1146, 1717 H Street, N.W., commencing at 9:30 a.m.
