NRC SPECIAL INSPECTION REPORT 50-315/01-17(DRP);
50-316/01-17(DRP); PRELIMINARY YELLOW FINDING,
J. E. Dyer to A.C. Bakken III, June 10, 2002

Dear Ms. Burgess,

The subject inspection report was, upon receipt, distributed to AEP personnel for review. AEP personnel have identified that additional information is required in order to complete a technical assessment of the inspection report. The attached list is a preliminary request for additional information related to the inspection report's PRA evaluation. As the review progresses and understanding of the inspection report increases, AEP may request additional information.

I will be calling your office on Monday, June 17, 2002 to follow-up this email. If there are any questions, please call me at 616/697-5139.

Sincerely,
Ray Sartor
