To Whom This May Concern -

Hello, my name is Helen Wong and I work at JPMorgan Chase. I am looking for some information regarding the decommissioning trust funds, and I was hoping that you could help me. I contacted Ronald Uleck this morning, and he informed me that this is the e-mail address I should use.

I am looking for a list of all the nukes with the estimated decommissioning funds amount, as well as the actual fund amounts. More specifically, I am looking for the company documents that were filed with the NRC. The companies that I need the information are as follow:

1. Exelon/Peco Energy
2. Entergy Nuclear
3. Duke
4. Florida Power

If you could e-mail or fax the information to me by the end of the day (Monday), I would greatly appreciate it. My fax number is 212.270.4445. If you have any questions, please do not hesitate to contact me at 212.270.8821. Thank you in advance for all your help.

Sincerely,
Helen Wong
