

*11/19/57*  
**Office Memorandum • UNITED STATES GOVERNMENT**

TO : Dr. Marvin Mann, Assistant Director  
Division of Inspection

DATE: NOV 19 1957

FROM : Frank K. Pittman, Acting Director  
Division of Civilian Application

SUBJECT: ADMINISTRATION OF WRITTEN AND OPERATING EXAMINATIONS TO OPERATOR  
LICENSE APPLICANTS -- WESTINGHOUSE-YANKEE CRITICAL FACILITY

SYMBOL: CAL:LJ

This will confirm the arrangements whereby you will administer, on behalf of the Division of Civilian Application, written and operating examinations on November 20, 1957 to the following applicants for operator licenses:

Berg, Selwyn S.  
Davison, Perry W.  
Howard, John Edward  
Schultz, Mortimer A.

These men are applicants for licenses to operate the Westinghouse-Yankee critical experiment facility located at the Westinghouse Reactor Evaluation Center.

As you know, we are arranging for Dr. Martin Biles, of our Reactor Hazards Evaluation Branch, to be present at these tests as an observer for orientation purposes.

Your assistance is appreciated.
