SUBJECT: WATERFORD STEAM ELECTRIC STATION, UNIT 3 - CORRECTION TO
AMENDMENT NO. 134 RE: CHANGE IN COMPANY NAME (TAC NO. M96248)

Dear Mr. Dugger:

On November 3, 1997, the Commission issued Amendment No. 134 to Facility Operating License No. NPF-38 for the Waterford Steam Electric Station, Unit 3. The amendment revised the operating license to reflect the change in the name of the licensee owning the facility from Louisiana Power and Light Company to Entergy Louisiana, Inc.

The amendment was issued with the first sentence of Paragraph 7(a) of the operating license containing the word "less" instead of "lease." The licensee's amendment request correctly contained the word "lease", so the error changing "lease" to "less" was made by the staff. A copy of the corrected page for Waterford Unit 3 is enclosed.

We regret any inconvenience this typographical error may have caused. If you have any questions on this action, please call me at 301/415-3025.
