- Approval strategy

Pressure Testing

ASME SXI Working Group on Pressure Testing

➤ Actions Under Development

➤ Test Boundaries

➤ Test Frequencies

➤ Predetermined Response

➤ Evaluation Criteria

➤ Action Statements

➤ Allowed Outage Times

Examination Issues

- **Exam Coverage**
- **Relief Request**
- **ASME Whitepaper**
- **NRC Approval of “Process”**

DATA

➤ OECD Project

- Goals**
- Plant Support**
- Issues**

RI-IST

➤ **Snubber Testing & Maintenance**

➤ **Thermal Relief Valves**

Containment

ASME SXI Task Force Formed

Joint Meeting WGIRBE (9/02)

Integration with other Containment Programs
