ESTADO LIBRE ASOCIADO DE PUERTO RICO

Sila M. Calderón
GOBERNADORA

June 17, 2002

Mr. Richard A. Meserve
Chairman
United States Nuclear Regulatory Commission
11555 Rockville Pike
Rockville, MD 20852

Dear Mr. Meserve:

For several years, the Environmental Quality Board of the Commonwealth of Puerto Rico has been the main communication channel between our government and the Nuclear Regulatory Commission. I am hereby designating Esteban Mujica, President of our Environmental Quality Board (EQB), as the Commonwealth Liaison Officer in the NRC's Liaison Program. Mr. Mujica's designation replaces that of Ms. Gladys González, who no longer serves as President of the EQB in Puerto Rico.

My Administration stands ready to collaborate with you effectively to protect our people from radioactivity hazards, particularly in this time of heightened security.

Sincerely,

Sila M. Calderón
Governor
