Docket No. 50-331

Iowa Electric Light and Power Company'
ATTN: Mr. Duane Arnold, President
Security Building
P. O. Box 351
Cedar Rapids, Iowa 52406

Gentlemen:

We have reviewed your letter dated January 17, 1975, requesting an extension of time for the installation of recirculation pump motor decouplers at the Duane Arnold Energy Center until the first refueling outage after June 1, 1976. Based on our review of the status of the development of recirculation pump motor decouplers, we conclude that the extension of time you requested is acceptable.

We request that you provide the following within 30 days of the receipt of this letter: (1) the firm date that you propose to install such decouplers, and (2) the preliminary design criteria and the design for these decouplers.

Please contact us if you have any questions regarding our request.

Sincerely,

George Lear, Chief
Operating Reactors Branch #3
Division of Reactor Licensing
