10 CFR 71.12

Mr. E. William Brach
Director of Spent Fuel Project Office
Office of Nuclear Material Safety & Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Subject: Duane Arnold Energy Center
Docket No.: 50-331
Op. License No.: DPR-49
Request For User Registration For NAC International, Inc. NAC-LWT
Radioactive Materials Shipping Cask

File: A-105, G-11

Dear Sir,

Pursuant to the requirements of 10 CFR 71.12, Nuclear Management Company, LLC, as holder of License Number DPR-49, Duane Arnold Energy Center, wishes to register as a user of NAC International, Inc. NAC-LWT radioactive materials shipping cask. Package Identification Number is USA/9225/B(U)F-85, NRC Docket Number 71-9225.

Any assistance in expediting this matter would be greatly appreciated. It is requested that future information for this package be forwarded to:

Don Allison
Radwaste Shipping Coordinator
Duane Arnold Energy Center
3277 DAEC Road
Palo, IA 52324-9785

Sincerely,

Kenneth S. Putnam
Manager, Licensing
