In a telephone conversation with Mrs. Rammling, of my staff, on June 6, 2002, you indicated that you were looking for a catalogue identifying types of protective clothing and/or a contact where you could get more information about and/or purchase protective clothing. Staff within NRC's Office of Nuclear Material Safety and Safeguards, Division of Industrial and Medical Nuclear Safety have indicated that they do not have a list of vendors for protective clothing nor does the Nuclear Regulatory Commission have any regulations or rules about protective clothing.
