We did not amend 15.25 so it remains as it currently is in Part 15. The FCCS deleted this as a requirement but since 10 CFR Part 15 states the NRC may seek an interview with the debtor, we left it as it was.

I have changed page 16. See attached.

Leah:

I would like to help you move this along by the day you requested, 4/19/02. Questions:

1. What happened to section 15.25 - personal interviews?
2. Section X - Backfit Analysis, last sentence, page 16: Why say "NRC is proposing to adopt . . ." as this is a final rulemaking?
The Proposed Rule states "NRC is amending . . ."
