Dear Ms. Henderson:

I am sending the original copies of Form 241 to request reciprocity under our State of Massachusetts radioactive materials license number 12-8361, a current copy was already enclosed earlier this month. These were originally faxed to you on July 12, 2002, however a revision has been made since that time. The work is to be performed on July 30, 2002 at Precision Calibration & Testing.

Should you have any questions or require additional information regarding this matter, please contact me at (781) 505-8236.

Sincerely,
