Dear Dr. Schwarz:

Based on your letter dated July 25, 2002, we are voiding your new license request dated April 29, 2002. The request was voided because of your desire to change the type of material requested and the need for additional information regarding the shielding evaluation and calculations. A new request may be submitted and may reference any or all of the documents associated with this action once you have completed the aforementioned shielding evaluation.

In accordance with 10 CFR 2.790 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

If you have any questions or need further assistance with this matter, please feel free to contact me by telephone at (404) 562-4728 or by e-mail at bap@nrc.gov. Thank you for your cooperation in this matter.
