OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

DOCKET NUMBER
PROD. & UTIL. FAC. 72-22-154SI

Dear Paul and Sherwin:

According to my records, State exhibits 151, 154, and 157 have not been received into evidence. In the event you intend to object to their admission, please advise and I will prepare to argue for their admission. Also, it is my understanding that if either of you have exhibits that you still intend to ask to have admitted, that you will so indicate so that a joint stipulation can be prepared showing the board what remains for argument in that regard. Please advise at your first convenience. Thanks.

Jim Soper
